Improvements:

1. Cosmetic Design updates in general
2. Scrolling key message banner on top of page/s
3. Implemented colour scheme
4. Replaced all placeholders with content
5. Wrote JS code to validate form
6. Created business logo
7. All links work
8. Consistent design/nav/header
9. Page footer on contact page has all details, other pages just have the copyright statement
10. Fixed the key message banner and navigation together.
